

ARCH : LEE (N)

For information on the life of Charles E. Lee (1901-1983) see Transactions of the Newcomen Society **55**, 1983-84, 249. The 'A' to 'M' parts of the Lee archive were bequeathed to the Science Museum upon his death in December 1983. For these parts only a bound typescript listing, compiled by several library assistants in 1984, exists. The 'N' part was purchased at Christie's in 1984. It is this part which is listed below, comprising volumes of press cuttings, articles and ms. notes: 47 vols. in 4 boxes.
