These additions have been allocated an extra digit and are starred* in the list below. The 1998 deposit also supplied the succeeding volumes for the period 1950-1974 (UDPP/C/1/63-86).

Pontypridd Urban District Council. Education Committee and Education Department

Pontypridd UDC acquired powers over elementary education in 1903 as a 'Part III' authority in the Education Act 1902 and later over senior and secondary education – excepting intermediate education (selective secondary or 'grammar' schools). The Education Committee was replaced by the District Education Sub-Committee of Glamorgan County Council 1945-1946. Education powers subsequently passed to the Pontypridd Divisional Executive Committee of the county council.
