HERTFORDSHIRE RECORD OFFICE

D/EB 1089

Title deeds and other documents relating to properties, mainly public houses, of Pryor, Reid and Co. Ltd., brewers of Hatfield; deposited by Messrs Markby Stewart and Wadson, per British Records Association, August 1962

[Part of Accession 940]

Inventory compiled
March 1971

Introductory Note

The bundling of this collection of deeds has been left, as far as has been practical, as it was when it was received from the British Records Association. However, it is apparent from notes on the wrappers or envelopes that some of the bundles originally contained other deeds which have at some time been removed.
