Photographic copies of their Key Maps

TO USE:

1. Select relevant 1" O.S. Map for the area required
2. Place on top of this the matching sheet, divided into squares
3. The O.S. Map should be visible through the squared sheet. Find the area required and note the reference number of the square which encloses it (e.g. 240/210)
4. When requesting the photographs, please quote this two-part reference number. As these records are kept at an out-store, it would be helpful if the reference-numbers required could be selected in advance.

'D' indicates that we hold a duplicate copy of the section held by either the Pembs. or Cards. Record Office, for the border areas of Carmarthenshire.

The figure in brackets indicates the number of photographs for each section.
