CaptainGrea	This officer is in charge of a Section of Serjeant Cameramen responsible for photographic the actions of troops under command 8th Corps. Since genuine battle photography can only obtained on the battlefield, this officer are necessarily performs his duties under fire right up with forward troops, and the material sent to him and his Section bears witness to the frequent remarks of officers in 8th Corps about Capt Evans' extraordinary indifference to dange His drive and initiative have been a constant inspiration to the cameramen under his command throughout the campaign he has behaved in a man and with a courage far beyond the call of duty. The results achieved by this officer have been of inestimable value to the branch of the due to him that his Section has reached an exceed ally high standard of efficiency which has reserved in the wide pictorial publicity given to the figuralities of the British soldier.	to Comd, 11 and comd, 8 and comd, 11 and comd, 8 by ption- ptio	Atmid Bala Maj-Gen, Armd Div.
