

MS 2085

[Papers of Ernest Matthias Feuerheerd, chiefly re his work on mechanical hammers and a needle-threading device, 1941-1948]

- 1 [Mechanical hammers]
- 1/1 1941 Jun 16 Provisional specification [re] Improvements in Mechanical Hammers/E M Feuerheerd. Reddie & Grose, patent agents, London
- 1/2 1941 Oct 23 [Engineering drawing] Assembly of 3/4" dia shaft showing connection/Flextol Eng. Co.Ltd., London
- 1/3 1943 Apr 9 [Letter] Patent Office, Southampton Buildings, London [to] E M Feuerheerd, c/o Messrs Reddie & Grose /M F Lindley, Comptroller-General, [sending letters patent no.547,348]
- 1/4 1943 Apr 12 [Letter] London [to] E M Feuerheerd, Roland Gardens SW7/Reddie & Grose, [sending letters patent, for 'Improvements in mechanical hammers and other percussion tools', no.547,348 of 16 Jun 1941 (date of sealing 9 Apr 1943) and the draft complete specification, dated 1942, of the invention (with patent drawing). These are both present, with envelope]
- 1/5 1943 Dec 7 [Engineering drawing] 15mm shaft and connections/Flextol Eng. Co. Ltd. [Bears rough pencil sketch on verso]
- 1/6 1944 May 1 [Letter] Mollart Engineering Company Ltd, Surbiton, Surrey [to] E M Feuerheerd, Roland Gardens, London SW7/S E Harris, chief engineer, [re design adjustments to his mechanical hammer]
- 1/7 1944 Aug 9 [Letter] Davey, Paxman & Co. Ltd, Standard Ironworks, Colchester [to] E M Feuerheerd, Roland Gardens, London SW7/F Allman-Ward, [re his inspecting the model driver of Feuerheerd's 'pile driver' currently with Mollart Engineering Co. Ltd.]
- 1/8 1944 Nov 17 [Letter] Herbert Morris Ltd, Lough

borough [to] E M Feuerheerd, Roland Gardens, London SW7/W M Watson, [re results on test of model of his mechanical hammer]

- 1/9 1945 Jul 19 [Letter] Patent Office, Southampton Buildings, London [to] E M Feuerheerd, c/o Reddie & Grose/H L Saunders, Comptroller, [sending letters patent, for 'Improvements in mechanical hammers and other percussion tools', no.568,493 of 19 Nov 1943, (date of sealing 19 Jul 1945). This is present, with envelope]
- 1/10 1947 Apr 30 [Letter] Mollart Engineering Company Ltd, Surbiton, Surrey [to] E Feuerheerd, Roland Gardens, London SW7/J C Hendra, [re his outstanding account]
- 1/11 1947 May 14 [Letter] Flextol Engineering Company Ltd, Ealing W5 [to] E M Feuerheerd, Roland Gardens, London SW7/G H Richards, [returning the information he sent on his 'pile driving equipment', and sending two drawings of flexible shafts]
- 2 [Needle-threading device]
- 2/1 1945 Jun 19 Patent specification no.593,666 [re] A Needle-Threading Device/E M Feuerheerd. Reddie & Grose, patent agents, London. [With letters patent no. 593,660 of 19 Jun 1945, (date of sealing 22 Jan 1948), and envelope]
- 2/2 1945 Dec 4 [Agreement between E M Feuerheerd, Roland Gardens, London, inventor, and Henry Crowden, Harrow Weald, purchaser, re sale of 1/20th part of the invention of a needle-threading device for £200]
- 2/3 - [5 pencil/pencil and wash drawings of a needle-threading device]
- 3/1 1946 Feb 13 [Letter] London EC4 [to] E M Feuerheerd, Roland Gardens SW7/Reddie & Grose, patent agents, [re] Proposed Patent Application on Hot-plate support
- 3/2 - Draft of Provisional specification to be filed in the names of E M Feuerheerd, Roland Gardens, London SW7 (as inventor) and John George Haigh, Onslow Court Hotel, London SW7 (as co-applicant) on an invention entitled: Improvements in

or relating to electric cookers

- 3/3 1946 Nov 3 [Letter] Hurstlea Products Ltd, Crawley, Sussex [to] E Feuerheerd, Roland Gardens, London SW7/E Jones, [re] Cigarette Machine. [21 tools would be needed to make it at a cost of £400]
- 3/4 1939 Jan 27 [Copy letter to] Sir Hugh T Keeling, Victoria Street, [London] SW1/E Feuerheerd, [stating his liability in the sum of £100, 'being one half the total subscribed to Feuerheerd & Thompson']
- 3/5 [1940s] [Sketchbook entitled 'E M Feuerheerd Esq, 3 Roland Gardens. Doodling'. It bears rough and more detailed sketches, ideas for possible inventions. Some pages have printed heading 'W D McSwan, Askew Engineering Works, Askew Crescent. Shepherds Bush W12']

Inv.no. 1995-240
