

MS718

[Collection of 79 photos (1920s?) of pneumatic equipment, chiefly compressors and pumps, manufactured by Lacey-Hulbert & Co. Ltd.

- [Business card of Lacy-Hulbert & Co. Ltd., 91 Victoria Street Westminster, London; Works: Beddington, Surrey. Pneumatic engineers, designers & manufacturers of all kinds of pneumatic plant & contractors for complete installations: "Boreas" air compressors, vacuum pumps, air hoists, air lift pumps, etc. Portable pumps for all purposes]
- 726 Concrete breaker (Atlas diesel C.H. 50B)
727 --- ditto ---
728 Portable petrol driven L.V.I. plant c5017
729 --- ditto ---
730 --- ditto ---
731 Fixed E.V.5 (laminated gears) c4986
732 View of cocks & gauge glass of siphon emptier c5101
733 --- ditto ---
734 View showing pump of siphon emptier c5101
735 Portable E.V.O.4 garage plant c5335
736 --- ditto ---
737 Portable petrol driven L.V.1 plant in works lorry
738 --- ditto ---
739 View of engine & pump side of L.V.1 (Warren trailer)
740 View of engine & magneto side of L.V.1 (Warren trailer)
741 Portable L.V.1 plant on Warren trailer behind lorry
742 Portable L.V.1, receiver end with tools
743 Portable electric driven compressor E.N.Y.2 (small wheels) c5747
744 Portable L.V.1 behind lorry with tools
745 Portable L.V.1 behind works lorry
746 Portable L.V.1 behind lorry (receiver end)
747 Portable L.V.1 behind lorry (engine end)
748 Portable D.V.2 working tools on Croydon Rd.
749 --- ditto ---
750 --- ditto ---
751 --- ditto ---
753 --- ditto ---
754 Three phase E.L.B.2 with starter
755 "Boreas" air standard c5816
756 Portable petrol driven N.X.O.3 vacuum pump c4649
[on South Suburban Gas Co. cart]
757 --- ditto ---
758 Electric driven L.V.O.1 air compressor c6168
759 --- ditto ---
760 Portable electric driven N.X.O.1 vacuum pump c6397
761 --- ditto ---

762	Portable electric generating set c6397
763	--- ditto ---
764	Petrol driven L.B.2 (Stuart engine)
765	--- ditto ---
766	Fixed E.L.V.O.3 on receiver c6820
767	--- ditto ---
768	Fixed petrol driven air compressor (L.V.O) c6691
769	--- ditto ---
770	Portable electric driven L.V.1 air compressor c6457
771	--- ditto ---
772	Portable E.L.V.O.3 garage plant c7203
773	--- ditto ---
774	Portable petrol driven L.V.2 air compressor c7018
775	--- ditto ---
776	Part ordering index L.V.2 air compressor
777	“Boreas” air standard c7388
778	---- ditto ----
779	Portable petrol driven L.V.1 air compressor c7044
780	“Boreas” tyre inflation point c7412
781	Tyre inflation point in use c7412
782	L.V.O.3 compressor with flywheel
783	Fixed electric driven V.2.A compressor c7326
784	Direct acting hand pump
785	Portable electric driven N.X.O.1 vacuum pump c7582
786	Portable E.L.V.O.2 with control panel c7566
787	[--- ditto? ---]
788	Portable E.L.V.O.2 with hose etc. c7374
789	Portable E.L.V.O.2 in use c7374
790	Portable E.L.V.O.2 with totally enclosed starter c8028
791	--- ditto ---
792	Portable E.L.B.2 with hose (DC)
793	L.V.2 air compressor with flywheel c8146
794	Portable E.Y.O. with large wheels & hose
795	Portable E.Y.O. with large wheels
796	Portable petrol driven D.V.2 air compressor c8089
797	--- ditto ---
798	Portable petrol driven L.V.1 with rubber tyres c8438
799	Fixed electric driven No. 5 pump c8424
800	Fixed electric driven L.V.O. air compressor c7158
801	--- ditto ---
802	Portable petrol driven No. 2 winch (special) c7990
803	Fixed electric driven D.V.1.A.B. air cooled c8203
804	--- ditto ---
805	Fixed water cooled E.L.V.O.2 with receiver c8668
