Microfilm copies of burial registers 1884 - 1970

110 volumes on 45 microfilm reels.

Transferred from Recreation & Amenities Department, March 1986.

These registers contain similar information to the forty-five volumes of fair copy registers (C 34.9 R1-45), viz plot number, date of burial, name, age and late abode of deceased and name of officiating minister. The name and address of undertaker, name of person issuing death certificate and date when issued, itemisation of burial requirements and accounts of charges are also given. In many cases later annotations show subsequent burials on the same plot.

These registers were filmed in 1979. Register numbers on film record cards erroneous from December 1908 onwards and should be numbered as in this list. All volumes are indexed by name of deceased.
