Wanstead School Board.

A school board for Wanstead was formed in 1880 when the National School was the only public elementary school in the parish. Four schools were built between 1882 and 1900, all in Cann Hall.

Under the Education Act of 1902, these four schools were placed in the Leyton 'Part III' authority and the remainder of Wanstead became the responsibility of Essex County Council.
