Leyton Juvenile Employment Committee (later Leyton Youth
Employment Committee)

Minutes and other records 1924 - 1965

Transferred from : Waltham Forest Career Service, Hoe Street, E.17.

Date of transfer : September 1985

This Committee was set up, under powers granted by the Education Act, 1921, and the Unemployment Insurance Act, 1923, through a scheme put forward by the Education Authority of Leyton Urban District Council, approved by the Board on Education on 13th August 1924. The scheme allowed for a Juvenile Employment Bureau to advise boys and girls under 18 years old, on their choice of suitable employment, opened at 590 Lea Bridge Road on 14th October 1924. This bureau also provided for administration of the Unemployment Insurance Acts relating to Juveniles. The Committee continued its work under the Borough of Leyton, formed in 1926. In March 1945 the Essex Education Committee announced that it wished to assume responsibility for Juvenile Employment Bureaux throughout the County and to negotiate with Part III Local Education Authorities for their taking over existing premises. Leyton Council agreed to this suggestion, and thereafter the Juvenile Employment Committee acted as agents of the Essex Authority. In 1948, the name of the Committee changed to Leyton Youth Employment Committee.

After 1965 responsibility for Youth Employment Bureaux in the area was transferred to Waltham Forest Youth Employment Committee (see W 59.9 M1 for Minutes 1965 - 1972).
