The Irlam and Cadishead District Nursing Association was set up in 1921 to provide a local district nursing service (U287/AB1). Its thirteenth annual report (U287/F1) gives figures for the work, one in Irlam and the other in Cadishead, of the two nurses whom it employed. After the establishment of the National Health Service, when Lancashire County Council became responsible for a district nursing service in Irlam Urban District, it was succeeded by the Irlam and Cadishead Welfare and Aftercare Association (or Irlam and Cadishead Welfare and After Care Association) with the objects of providing special food, medical comforts and appliances, domestic help and other benefits for the ill in the Urban District (U287/AB1). Leslie Washington Jones, 10 Turner Avenue, Irlam, was one of its trustees. In 1965 it was decided to bring its activities to an end (U287/AM2).
