BUILDING CONTROL PLANS

ABERGELE (AND PENSARN) URBAN DISTRICT COUNCIL : 1888-1967

ALED RURAL DISTRICT COUNCIL : 1946-1972

COLWYN, COLWYN BAY UDC and BOROUGH COUNCIL : 1886-1969

HIRAETHOG RURAL DISTRICT COUNCIL : 1909-73

Plans of buildings submitted for approval to the above councils were deposited in the record office by Colwyn Borough Council in 1990. All surviving plans up to 1948 were deposited together with a selection thereafter up to a cut-off date of c.1974.

Some of the registers of plans have survived and are to be found in the schedules of the relevant authorities' records. The following list was compiled from the originals by a record office volunteer, Miss Margaret Roberts. Plans were given consecutive numbers and entered into a computer database. The list is presented in two forms : in date order (with undated plans first), on white paper; and in place and street order (with unspecified locations first), on blue paper. On-line searches of the database can be made, for example to find plans by a particular architect, or for a particular property owner, or for certain types of property, such as hotels.

References to the plans consist of the reference to the whole series (e.g. UDD/C/5/24 for Abergele UDC), followed by a plan number (e.g. UDD/C/5/24/2580).
