Correspondence:

11. 1832 Sept. 25

LETTER: [Rev.] J[ames] Moulton, Carnarvon, to Rev. J[abex] Bunting, Chairman of the Liverpool District, at the vestry of Mount Pleasant Chapel, Liverpool. He can transact his business by letter and so begs to be excused from next day's District Meeting. His church supports a preacher without recourse to the Contingent Fund but the number of members is small; he begs excuse from payment of 1½ gns. to the Children's Fund from the Bangor Circuit, if possible. The little English chapel at Carnarvon is too small for the congregation. Many applications for seats have had to be turned down, and summer visitors sometimes have to be turned away. There is an English service in the church every other Sunday evening, but even when the service there is in English the chapel is still full. Despite the expense, a bigger chapel must be built and he requests the District Meeting's sanction, so that a chapel may be erected before next summer's influx of visitors. He expects to obtain a 99 year lease, and total expenses should be around £400; he gives financial details. They are not willing to embarrass themselves. The two chapels at Bangor and Amlwch recently erected answer well, and so they may safely venture in Carnarvon where there is more English than in any other Welsh town. He requests an answer by the following Friday.

12. 1832 Dec. 7

LETTER: [Rev.] J[ames] E[gan] Moulton, Carnarvon, to [Rev. Jabex Bunting]. Mr. [James] Treweek of Amlwch, has been replaced by the District Meeting as Treasurer of the Mission Fund for the N. Wales District, by Mr. [P.R.M.] Preece of Carnarvon, but

12. (cont.'d) ...

no notice has been given to Mr. Treweek and no reason for the change is known. Mr. Treweek is in fact connected with Welsh causes in the Beaumaris circuit, although remaining principally with the English cause at Amlwch; and as he managed all Lord Anglesea's mining concerns he is continually in communication with London - so these can not be causes for his removal. He asks therefore whether the District has the authority to remove an officer of the Missionary Society. Although Mr. Preece is very friendly now, he does not look on Methodist travelling preachers in the best of lights. If Mr. Treweek hears the news he will be hurt, and he loves Methodism far more than 'our other brother'. Mr. Preece hopes Mr. Treweek concurs, so he does not know how the matter stands. As a member of his Circuit Mr. Treweek will ask him for an explanation - this is his interest in the affair. Some Welsh brethren are jealous of Mr. Treweek for espousing the English cause although he was formerly for the Welsh. Mr. Preece still preaches in English occasionally and they cannot do without him, which makes caution even more desirable. In Amlwch the chapel has been a gracious influence. The cholera has taken 30 deaths in Carnarvon, but after a day of prayer, there was only one new case. Welsh societies in the area are prosperous, with more peace in their borders although few radicals have returned, and the seized chapels are still in the possession of the seceders [the 'Wesle bach'].

13. 1833 July 13

LETTER: [Rev.] J[ames] E[gan] Moulton, Carnarvon, to [Rev. Jabez Bunting]. He has been invited to move to the Leek [co. Derby] circuit as their third married minister. For some years they have had a

13.(cont.'d) ...

single preacher. He has been to Leek when in the Buxton and Lane End [co. Derby] circuits, and feels he would be happy there. He fears there may be some objection from brethren married for a year or two but because of all the painful breaches there will be an unusual number of vacancies. He has also been in a solitary station for the past two years, with little chance of associating with other brethren. He would like to go to a circuit in Yorkshire if it is not possible to appoint him to Leek. He would find a circuit with lively zealous people more congenial. The circuit looks to him to provide a successor, and have not applied direct to anyone. The circuit is trying because of its small scale, and because of language difficulties. A second preacher is much needed. He is anxious that the two English circuits in North Wales be not connected with the Welsh District, as to lose the protection of an English District Meeting would be injurious to the cause.

14. 1837 May 15

LETTER: [Rev.] J[ames] E[gan] Moulton, Great Bridge, Birmingham, to Rev. J. Bunting, D.D., 30 Myddleton Sq., Pentonville, London. After a very severe illness, he returned to Carnarvon on a visit for a change of air. By now, the Carnarvon cause is prospering, and a new chapel has been opened. The members there are however anxious as Conference is probably going to remove one of their preachers, partially on Dr. Bunting's recommendation that there were too few members for this to be continued. Problems of distance and language make the Bangor circuit a special case, especially as there are so few local preachers capable of preaching in English - he gives full details. Amlwch and Holyhead could maintain one preacher, and Carnarvon and Bangor the other. Holyhead has very many English residents because of the government

14. (cont.'d) ...

works there. He gives evidence of the influence of the chapels on English visitors. Beaumaris needs an attempt to start a cause. Scottish circuits of similar membership have two ministers because they are regarded as a bulwark against Calvinism, and Welsh Methodism should also be a bulwark. There is a general laxness in Wales re the christian ministry and the Welsh Wesleyans have caught the prevalent infection - one symptom of this is their unreadiness to give financial contributions.

15. 1921 Oct. 31

LETTER: J. Wesley ?Hard, 4 Church St. Southport [co. Lancs.], to Ald. R. Muir, Derlwyn, Deiniol Rd., Bangor. The Ministerial Allowances Committee were a little disappointed that the grant looked for was £80 again this year. Together with the Home Mission Fund grant of £60 this is a lot, and the committee urges an appeal to the Circuit to be more self-supporting.

164. 1871 Jan. 13

LETTER: Robert L. James, at Pantaision, Cardigan to Rev. F.B. Swift, 11 Upper Garth Rd., Garth, Bangor. He is spending his Christmas vacation at Pantaision. He has discussed matters with the Bishop at several interviews, and his Lordship is desirous of meeting Mr. Swift's views. The piece of ground required is the parish pound, and only when another pound is supplied and used will the Bishop have power to sell the present one, as, not being used, it would lapse to the Bishop. The Local Board of Health say they have no intention of moving the pound to a more convenient place, and he has told the Bishop this.

171. [?1872] May 13 LETTER: P.A. Iremonger, Lime Grove, Bangor, to Rev. F. Swift, 10 Uxbridge Sq., Carnarvon. He has found a letter from Mr. Pennant saying that he had written to Mr. Penn consenting to a lease for a piece of ground by the British Hotel for a new chapel. 176. 1872 Aug. 10 LETTER: Frederick B. Swift, at 20 Blenheim Terrace, Scarborough, [co. Yorks.] to Mr. Humphreys, Carnarvon. He is delighted to hear that Capt. Iremonger will convey all the land necessary for the chapel, and requests that the lawyers draw up the deed at once. They will require the names of trustees and a Trust Deed. He gives various details re this. His health is somewhat improved, especially his head and spirits.

179. 1872 Sept. 26 LETTER: Edward Hughes, Huyton Park, [co. Lancs]. to [Rev. F.B. Swift], arranging a meeting the following Monday, in the Builders Association Rooms, South Creseent Chambers, Lord St., [Liverpool], as his office is a long way from Exchange [Station].

181. 1872 Oct. 7 LETTER: P. Ellison, architect, 2 Church St., Liverpool, to Rev. F.B. Swift, Carnarvon. He sees in the Recorder that the question of a new chapel in Bangor is again cropping up, and he made plans for a chapel 3 or 4 years ago which were returned, for him to wait until the time came for building. He now wishes to re-submit them. He designed the Rhyll [co. Flint] Chapel, and most, if not all, [methodist] chapels built in his area are from his designs.
182. 1872 Oct. 17 MEMORANDUM: Edward Hughes, building contractor, Miller's Bridge, Liverpool at Belle Vue, Trefriw, to Rev. F.B. Swift. He has traced the plan and will send it on his return.
183. 1872 Nov. 2 MEMORANDUM: Edward Hughes, building contractor, Miller's Bridge, Liverpool, to Rev. F.B. Swift. He is very busy but will prepare a pencilled ground plan for the week after next, so that the Trustees have something to discuss.
184. 1872 Nov. 8 MEMORANDUM: Edward Hughes, building contractor, Miller's Bridge, Liverpool, to Rev. F.B. Swift. He will come to Bangor next Monday on the 3 p.m. train, and will want to leave at 4.30.
185. 1872 Dec. 11 LETTER: John Gruffith, 315 High St., Bangor, to Mr. Humphreys. He has had a situation with a wholesale firm in London and therefore withdraws as a trustee of the English Chapel. He saw Mr. Swift who said he did not like to trouble the architect over the removal of soil, as he is working gratuitously. This is 'drivelling incapacity'.

186. n.d.[c.1872] ROUGH PLAN of land mentioned by Capt. Iremonger, in his note to Messrs. Barber and Hughes.
187. 1873 Jan. 3 LETTER: Edward Hughes, Miller's Bridge, Liverpool, to Rev. F.B. Swift, He has sent plans of the proposed chapel at Bangor. He has been so busy that he has had Messrs. L.D. Barry and Sons do them. Because of the site and money, nothing much in design can be attempted.
188. 1873 Jan. 4 POSTCARD: Edward Hughes, Miller's Bridge, Liverpool, to Rev. F.B. Swift, Uxbridge Sq., Carnarvon. He trusts the plans have arrived. Contracting for excavation may still be let off separately.
189. 1873 Jan. 7 LETTER: Barber & Hughes, Bangor, to Rev. F.B. Swift, Wesleyan Minister, 10 Uxbridge Sq., Carnarvon. They have made a draft lease for Pendre Chapel, and request a plan of the land in question, names of the general committee of management, and the estimated minimum amount to be expended.
190. 1873 Jan. 11 LETTER: P. Ellison, Seels Buildings, Church St., Liverpool, to Rev. F.B. Swift, Uxbridge Sq., Carnarvon. He is not going to make any claim upon the trustees. His instructions came from the Chairman of the District, and his only regret is that, having had the trouble he is not having the work.
191. 1873 Jan. 15 LETTER: Edward Hughes, Huyton, [co. Lancs.] to Rev. F.B. Swift, Carnarvon. Messrs. Barry & Sons have sent bills of quantities. He advises on how to secure estimates. He fears that a good builder will not be available for the money at command because of the much increased cost of Labour and materials.

192. 1873 Jan. 23 LETTER: Edward Hughes, Huyton, co. Lancs. to Rev. F.B. Swift. He has received the plans and sees no difficulty in making the suggested alterations. He asks whether irish granite is available for facing, and what term is used in Bangor to describe it. He is employing a surveyor to draw up a Bill of Quantities for the guidance of builders tendering, which will be paid for by the successful tenderer. If no tender is successful, the committee will have to pay.
193. 1873 Feb. 20 LETTER: Thos. D. Barry & Sons, 28 Church St., Liverpool, to F.B. Swift, Esq., with explanations of terms used in the Bill of Quantities, namely 'masons work' and 'carpenter and joiners work'.
194. 1873 March 5 LETTER: P.A. Lloyd, Lime Grove, Bangor, to Mr. F.B. Swift, 10 Uxbridge Sq., Carnarvon. The Agreement was for a manure pit to be constructed conveniently near the present one for the Bynnia tenant, before commencement of the building.

196. 1873 April 4 LETTER: Wm. Edwards, Wesleyan Chapel Committee, Oldham St., Chapel, Manchester, to Rev. F.B. Swift, Carnarvon, returning a draft of the deed. The land should not be accepted on the terms proposed and the committee wants to know whether any attempt has been made to exchange a freehold site for the present premises. If the committee eventually consented to the present conditions, they would not feel justified in making any grant or loan.

197. 1873 May 2 POSTCARD: Richard Davies, Bangor, to Rev. F.B. Swift, 10 Uxbridge Square, Carnarvon, re a meeting for when he will have [plans] ready.
198. 1873 May 3 PLANS AND SECTIONS (6) of a proposed English Wesleyan Chapel, Bangor, drawn by Richard Davies, architect, Bangor, but not built.

200. 1873 May 6 MEMORANDUM: Richard Davies, Bangor, to Rev. F.B. Swift, Carnarvon, to accompany schedule filled up as promised. Plans are to follow..
201. 1873 May 13 LETTER: Edward Hughes, Huyton Park, [co. Lancs.] to Rev. F.B. Swift. He will not make any charge, for his visit to Bangor, but the Surveyors, Messrs. Barry and Sons, will have to be paid for the [Bill of] Quantities. He feels that the Committee have been discourteous in discarding the plans for fear that the estimates would be too high, without calling for estimates which would have cost nothing - and without consulting him. He would have been the last to advise them to proceed if the tenders had been much more than the available funds.
202. 1873 May 15 LETTER: Thos. B. Barry & Sons, 28 Church St., Liverpool, to F.B. Swift, Esq., enclosing their charge for taking out the quantities for the proposed Wesleyan Chapel.

203. 1873 May 19 LETTER: P.A. Lloyd, Lime Grove, Bangor, to Mr. Humphreys, stationer, Castle Square, Carnarvon. Lord Penrhyn has no objections to the suggested alterations re the proposed site of the Wesleyan Chapel at Pendre, so that only arrangements with the Brynia tenant re the manure pit now need to be made.
204. 1873 May 22 LETTER: R. Davies, Bangor, to H. Humphreys Esq.. He has seen the tenant of the Chapel site who is very reasonable, only asking for a path up to the mountain for him to lead horses and cattle. He discusses the site of the manure pit, etc., which could be moved near the railway. Mr. P. Lloyd must be consulted and will not be at home until next Tuesday; Mr. Johnson the under-steward will have to arrange matters.
205. 1873 May 23 LETTER: Wm. Edwards, Wesleyan Chapel Committee, Oldham St., Chapel, Manchester, to Rev. F.B. Swift, Carnarvon, requesting information re a possible exchange of a site of freehold tenure with Lord Penrhyn.
206. 1873 May 23 LETTER: Thos. D. Barry & Sons, 28 Church St., Liverpool, to Rev. F.B. Swift, Carnarvon. They cannot make an alteration in their charge but request that the [Bills of Quantities] could not be made available. They will, however, make alterations in the plans to reduce the cost of the contract at no charge, if desired.
207. 1873 May 28 LETTER: R. Davies, Bangor, to H. Humphreys, Esq.. He is worried about the delay and asks whether anyone is going to see Mr. P. Lloyd.
208. 1873 June 3 LETTER: R. Davies, Bangor, to H. Humphreys, Esq.. He has had a long talk with P. Lloyd

208.(cont.'d) ...

Esq., re the chapel site. The site was promised on the distinct condition that arrangements should be made with the Brynia tenant for a place to keep his manure, and he refused to give any place let to anyone else. Mr. Johnson and he have examined the site and it is not big enough for a roadway and dunghill as well as a chapel. They recommend a fresh application to Mr. Lloyd for another site: for a chapel in the lowest corner of the field opposite Mr. Evan Jones, Druggist's, near the railway; or for a dunghill in the same field higher up than the cottage.

209. 1873 June 6

LETTER: Wm. Edwards, Wesleyan Chapel Committee, Oldham St. Chapel, Manchester, to Rev. F.B. Swift, Carnarvon. The terms proposed by Lord Penrhyn, for a 40 year lease, or less if he and his heir die before that time, are unacceptable as the congregation could be turned out on six month's notice. 'What persons would not do for themselves they should not do with money held in trust for the promotion of the work of God' - and few businessmen would venture such conditions. A new application to Lord Penrhyn is advised, and under present conditions any grant or loan must be declined.

210. 1873 June 7

LETTER: Wm. Edwards, Manchester, to Rev. F.B. Swift, Carnarvon. The enclosed letter [no. 209] is sent separately so that it can be passed on to Lord Penrhyn if that is felt a desirable thing to do. The chapels at Bethesda and Llandegai Mountain are the only cases where similar leases have been obtained, and the committee objected strongly to the terms, and now recommend selection of another site, even if not so favourable.

211. 1873 July 29

LETTER: Thos. D. Barry & Sons, 28 Church St., Liverpool, to [Rev. F.B. Swift], requesting settlement of their account.

212. 1873 Oct. 22 LETTER: Edwin H. Tindall, Wesleyan Chapel Committee, Oldham St. Chapel, Manchester, to James Drummond, Esq., Carnarvon, returning the draft letter to Lord Penrhyn's agent [not present]. The committee does not feel that it should take the blame for delay as the Letter suggests. The uncertain nature of the terms insisted upon is the ground for their holding back.

223. 1874 April 22 LETTER: Wm. Edwards, Wesleyan Chapel Committee, Oldham St. Chapel, Manchester, to Rev. J. Drummond, Carnarvon returning Messrs. Barber & Hughes' letter. Where large landed proprietors sell land it is usual for a Certificate of Title to be accepted instead of an Abstract of Title. This is a matter for the solicitor to decide.

229. 1874 May 30 LETTER: Thos. D. Barry & Sons, 28 Church St., Liverpool, to Rev. James Drummond, regretting that they requested settlement of an account for £30 namely 2%, when in fact they were calculating the cost at 1½% [of the contract price].

He will try to arrange a meeting of the Committee for English Preaching in North Wales for 6 January. Would it be a good idea to have it at Bangor or Carnarvon? It might help to have someone representing Port Madoc to speak to the Committee. It would strengthen the writer's case if it could be said that both sides had been heard.

LETTER: O. Rees, Adjutant, Salvation Army North Wales Divisional Headquarters, 8 Panton Place, Hoole, Chester to Rev. R.C. Cowell. He will be in Portmadoc on July 1 and will put things right re the Portmadoc rent. He considers Mr. Cowell's remarks

294.(cont.'d),...

about the Army paying its debts to be out of place. Occasionally all demands cannot be simultaneously met.

295. 1899 July 6

LETTER: Thomas Bales Coombs, Commissioner, Salvation Army, 101 Queen Victoria St., London E.C., to Rev. Henry J. Quilter, Wesleyan Minister, Church St., Carnarvon. He wishes the tenancy of the Portmadoc chapel to continue.

296. 1899 July 13

LETTER: O. Rees, Adjutant, Salvation Army North Wales Divisional Headquarters 8 Panton Place, Hoole, Chester, to Rev. R.C. Cowell, forwarding a Letter from Commissioner Coombs and requesting an acknowledgement.

297. 1899 Sept. 22

LETTER: O. Rees, Staff Captain, Salvation Army North Wales Divisional Headquarters, 8 Panton Place, Panton Road, Hoole, Chester, to Rev. R.C. Cowell, requesting an answer to Commissioner Coomb's letter asking for a renewal of the tenancy of Portmadoc chapel.

298. 1900 Jan. 5

LETTER: O. Rees, Staff Captain, Salvation Army North Wales Divisional Headquarters, 8 Panton Place, Panton Rd., Hoole, Chester, to Mr. [E]. Hughes. He is taking steps to make payment of the rent.

299. 1900 June 27

LETTER: O. Rees, Staff Captain, Salvation Army North Wales Divisional Headquarters, 8 Panton Place, Hoole, Chester, to Mr. [E]. Hughes. He is surprised to hear that the chapel was unlocked, as it was quite secure a few weeks ago when he was there, and the officers visit the place every week.

300. 1900 July 13 LETTER: O.H. ?Jeffin, Brigadier, Salvation Army Wales Provincial Headquarters, Andrew's Buildings, Queen St., Cardiff, to E. Hughes, Esq., Carnarvon. He was sorry not to see him while in Carnarvon, and requests a Letter detailing the business, which will then be fully dealt with.
301. 1900 Sept. 13 LETTER: W.A. Starling, Salvation Army North Wales Divisional Headquarters, 8 Panton Place, Chester, to Mr. [E.] Hughes, Carnarvon. He is sorry that the outside gate is in 'such a condition', and that the chapel door has no key. He is getting the window put in at once. He is sorry that the trustees cannot give any promises as to what they could do to help the arrears to be paid off, but as any consideration of the request must be preceded by the payment of the money, the lever required for the raising of the money has been taken away. Without some concession, he is helpless to move in the matter.
302. 1900 Oct. 1 LETTER: W.H. Starling, Divisional Officer, North Wales Divisional Headquarters, 8 Panton Place, Hoole, Chester, to Mr. [E.] Hughes, Treasurer of the Wesleyans, Carnarvon, giving three months' notice of termination of tenancy of the Portmadoc Chapel. They deeply regret their failure in Portmadoc, but it is useless to struggle on. The building has not been used for months, and he requests the Trustees to consider making a concession in the arrears of rent owing, and forego the term of notice.
303. 1900 Nov. 2 LETTER: W.H. Starling, North Wales Divisional Headquarters, 8 Panton Place, Hoole, Chester, to Mr. [E.] Hughes, Carnarvon. He apologises for not having called, but he has had a serious illness. The officer has been to see Mr. Bryant for the key so she can clean the place, but he says he has sent it to Carnarvon. This is very disappointing as they want to get the work done.

304. 1900 Dec. 3 LETTER: John Hornabrook, Wesleyan Chapel Committee, Central Buildings, Oldham St., Manchester to Rev. R.C. Cowell, Carnarvon, requesting the Deed of Port Madoc Iron Chapel, also he can advise on its sale. He recalls that it is an imperfect document.
305. 1900 Dec. 7 LETTER: W.H. Starling, Salvation Army North Wales Divisional Headquarters, 8 Panton Place, Hoole, Chester, to Mr. [E.] Hughes, Carnarvon. He has visited Portmadoc and has paid Mr. Bryant for the new lock and key. He saw the blacksmith and joiner, who said the gate would be up on the day previous to writing. He encloses P.O. for 5/- to pay for same. The glazier has put the windows in. The officers have swept the chapel, and he sends the chapel key.
306. 1900 Dec. 11 LETTER: W.H. Starling, Salvation Army North Wales Divisional headquarters, 8 Panton Place, Hoole, Chester, to Mr. [E.] Hughes. He hopes the window is satisfactory. The officers had contacted the glazier four times, but he had delayed. The officers will find and fix the wire protection.
307. 1900 Dec. 12 LETTER: John Hornabrook, Wesleyan Chapel Committee, Central Buildings, Oldham St., Manchester to Rev. R.C. Cowell, Carnarvon, returning documents re Port Madoc Chapel. As the chapel is iron and can be removed from the site there should be no difficulty selling it. The usual consents must be obtained first, however.
308. 1901 July 10 MINUTES: Portmadoc Iron Chapel trustees' meeting, held at Wesleyan Chapel, Pwllheli, re sale of chapel.
309. 1902 Jan. 21 LETTER: John Evans, general draper, 9 High St., Portmadoc, to Edward Hughes, Esq.

309.(cont.'d) ...

Carnarvon. The trustees are interested in buying the [English Wesleyan] chapel for £50, and one has asked whether the harmonium could be given them; it is worth no more than 40/-. However, the Minister feels it would tempt friends of music to cast their vote for buying the chapel.

310. 1902 Jan. 24

LETTER: R. Môn Hughes, 92 High St., Portmadoc, to Mr. Craven. The trustees [of Portmadoc Welsh Wesleyan Chapel] will purchase the iron chapel for £50 if the site can be held on the same terms as before. They are seeing Mr. Casson on Tuesday to discuss this.

311. 1902 Jan. 24

LETTER: John Evans, general draper, 9 High St., Portmadoc, to Edward Hughes, Esq., Carnarvon. The Welsh Wesleyan Chapel trustees have agreed to purchase the English Wesleyan chapel for £50 and he requests that Mr. Casson be informed that in future the minister of the Welsh Wesleyans in Portmadoc will pay the ground rent, etc.. This will save a little money as the estate byelaws demand certificates costing 10/6 or 21/- on the transfer of buildings. As it is merely a matter of Welsh rather than English Wesleyans paying, no deeds, etc. are required.

312. 1902 Jan. 27

LETTER: Randal Casson, Portmadoc, to E. Hughes, Esq., Claremont, Carnarvon. He does not see any difficulty in transferring Portmadoc Iron Chapel to the Wesleyan Body. The building is only occupied on a yearly tenancy.

313. 1902 Jan. 28

LETTER: John Hornabrook, Wesleyan Chapel Committee, Central Buildings, Oldham St., Manchester, to Rev. T. Craven, Carnarvon. The consent of the President

313. (cont.'d) ...

[of the Conference] is not required to give the purchaser of Portmadoc chapel a right to the building, but the consent of the Chapel Committee should be sought so that any proceeds can be applied in harmony with the provisions of the trusts.

314. 1902 Feb. 14

LETTER: R. Môn Hughes, 92 High St., Portmadoc, to Mr. Craven. Having seen Mr. Casson, they are satisfied re the ground and rent. He requests that the trustees hand over the Deed, the transfer being made to the Trustees of Ebenezer Welsh Wesleyan Chapel, Portmadoc, When the Deed is ready they will hand over £50.

315. 1902 March 5

LETTER: John Hornabrook, Wesleyan Chapel Committee, Central Buildings, Oldham St., Manchester, to Rev. T. Craven, Carnarvon. The Committee has discussed the case of Portmadoc chapel. Consent for its sale has been given provided that the proceeds be placed with the Board of Trustees for Chapel Purposes as the nucleus of a fund for the erection of a new English Chapel in the circuit when the opportunity arises.

316. 1902 March 7

LETTER: John Jackson, Wesleyan Chapel Committee, Central Buildings, Oldham St., Manchester, to Rev. T. Craven, Carnarvon. There is not likely to be any objection to the appropriation of the £50 sale money from Portmadoc Iron Chapel towards the erection of the new chapel at Llanfair-fechan, but the Committee will have to decide. There is no reason to postpone the sale, however.

317. 1902 April 9

LETTER: John Hornabrook, Wesleyan Chapel Committee, Central Buildings, Oldham St., Manchester, to Rev. T. Craven, Carnarvon. The committee has consented to the sale of Portmadoc iron chapel, the proceeds to go towards the reduction of the debt of the new Carnarvon iron chapel.
