INTRODUCTION

The records in the first section were deposited in 1973. They were catalogued around that time and are predominantly of a political nature.

The remaining five sections have been divided by subject matter. The exact history, and connections between the people and businesses mentioned are unknown. However, there are threads connecting the various subject matters. Prominent names featured are D.T. Edwards, Brewer, 'The Drum Inn', Caernarfon (primarily in the maritime section), and D.O. Edwards, Castle Mineral Water Co. Balaclava Rd., Caernarfon.

Further information is available in the Caernarfon Area Record Office on the brig 'Sybil Wynn' and other ships in the Ships Registers and Crew Lists.

The 'Tonau a gynigwyd' section was catalogued as part of a past project and is a collection of religious songs and music to be included in a Sunday School booklet.

Casgliad o Donau a gynigwyd i’w cynnwys yn "Llawlyfr Moliant yr Ysgol Sabbathol" tua 1893, i’w cynnwys adran pump.
