Medway Barge Sailing Match organising committee records 1986-1985 (DE331)

Records of Trinity House River Thames Pilots Association (formerly River Thames Compulsory Pilots' Committee) [1829] 1936-1988 U2919

The following list is arranged left to right by vessel, under year headings as follows:

Registration no., name of vessel, tonnage of vessel, type of vessel, documents held and finally document reference no.: please quote RGS/Ro/[No] when requesting documents.

Information contained in the actual crew lists is usually as follows:

Name of ship, official no., port of registry, port no. and date of register, registered tonnage, name and address of managing owner, name, certificate no. and address of master, dates of commencement and termination of half-year, names of master and crew, age of each, town and country where each born, ship in which last served, date and place of discharge from previous ship, date and place of joining of this ship and in what capacity engaged, etc.; caution should be exercised with tonnages as these are either gross or net according to which is quoted in the documents.

The documents are variously entitled "official log book and account of voyages and crew of a vessel of less than 80 tons register exclusively employed upon the coasts of the United Kingdom" (D. & O. 7), "half-yearly agreement and account of voyages and crew of a ship engaged in the home trade only and official log book for a vessel exclusively employed on the coasts of the United Kingdom" (Agreement Eng.6), "account of voyages and crew of home trade ship, to be delivered half-yearly to the superintendent of a mercantile marine office" (Crew List D) and Agreement for Home Trade Ship (B) (Agreement B).

The documents are stamped by the Mercantile Marine offices at Rochester or Dock Street, London and the General Register and Record Office of Seamen under the auspices of the Board of Trade as directed by the appropriate legislation (17 & 18 Victoria c.104).

The vessels are either coasters, tugs or lighters and in practice are nearly all barges. Further information on barges may be found in the Medway Navigation archives, reference S/MN especially class MPA/H3 (Custom House reports) and MPA/H13 (annual tonnage dues) Fishing vessels do not appear to be included. Records relating to fishing and fishermen on the River Medway are to be found in the Rochester City Archives, for which see manual lists or please ask staff.

Researchers and staff should note there can be several pieces per reference no.
