The National Archives

Manorial Records of Stamford, Lincs., deposited in the
Town Hall, Stamford, December 1961.

These records consist of ten volumes of manor court rolls and other records, relating to the two parts of Stamford in Lincolnshire and Northamptonshire, a roll of maps, etc., and a box of papers.

The manor court rolls comprise eight of the ten volumes, as listed below. They are all paper books with hard covers, folio, although items 1 and 2 are covered in parchment. In the main they are in good order, although item 2 needs repairs to the front cover and spine which have become detached.

A. Court Rolls of the manor of Stamford, Lincs.:

1. Stamford Court Leet and Court Baron, 1695-1724. 134 fols.
2. Stamford Court Leet, 1695-1740. 75 fols.
This item consists of an abbreviated form of 1. It omits the appointment of officers, regulations, essoins, and presentments of the homage; it merely records the dates of the courts, the names of the jurors and the entries into tenancies. All these entries are identical with those in 1. rest of volume empty.
For the years 1724-1740, the entries consist of the full court proceedings as in item 1.
3. Stamford Court Rolls, 1748-1780. 122 fols.
The full entries as item 1.
4. Stamford Court Rolls, 1781-1791. 54 fols. used.
This also contains some rolls dated 1764. rest of volume empty.
5. Stamford Court Rolls, 1804-1843. page nos. only up to 310; rest of book used.
6. Stamford Court Rolls, 1851-1916. 71 fols.

B. Court Rolls of the manor of Stamford Baron, Northants.:

7. Stamford Baron Court Rolls, 1769-1806. 40 fols.
8. Stamford Baron Court Rolls, 1816-1916. 101 fols.

Other records:

9. Enclosure Act and Award for St. Martin's Parish, Stamford. Act dated 1795; Award dated 1796. Handwritten in bound volume.
10. Stamford Manor, Survey, 1846. Handwritten 58 fols.

* Note: sometimes this book records the holding of the court and the names of the homage without recording any business, since there were no entries or admissions to holdings in that court. Although the court was held regularly in April and October, other sessions were held merely to record entries. There is no business recorded in item 2 (until 1724) which does not occur in item 1.
